STEP 2. Warm-Up

Players should warm up before starting the test. Afterward, they need to inform the shop tester that they are ready to begin, and the evaluator will observe.

Draw a Line
Write a date
Staff to Sign

Pause the test (optional)

If a player wishes to call it a day and try again later, they should notify the tester. The staff will mark the score sheet to indicate where the player paused, so they can pick up where they left off another day.
